

I can now eat dinner and relax after a hard days work, without worrying about harrasment from telemarketers. Do not mess with NJ Telemarketing law. I get blasted with advertising from all sorts of media already that I initiate. TV, Radio, Billboards. I can turn them off as a choice, Not Recieving a phone from an outside source from a company that I have had no dealings with is a choice I have made. Again,Do not mess with NJ Telemarketing law it benefits families during the brief amount of time we get to spend together during the week.
